Have you ever wondered what happens after we die? Is there an afterlife? Can we communicate with our loved ones who have passed on? These are questions that have been asked by humans for centuries, and there are many different beliefs and theories about what the answers might be.

In her book *Afterlife Communication: 16 Proven Methods, 85 True Accounts*, author Jayne Wallace shares her personal experiences and provides practical advice on how to connect with loved ones who have passed on. Wallace is a gifted medium and psychic, and she has helped thousands of people to connect with their departed loved ones. In this book, she shares her insights and wisdom, and she provides step-by-step instructions on how to use 16 different methods of afterlife communication.

The 16 methods that Wallace covers in her book include:

- Mediumship
- Psychic readings
- Automatic writing
- Dream interpretation
- Past-life regression
- Near-death experiences
- Out-of-body experiences
- Spirit photography
- EVP (Electronic Voice Phenomena)
- ITC (Instrumental Transcommunication)
- Animal communication
- Plant communication
- Water communication
- Crystal communication
- Prayer
- Meditation

Wallace also includes 85 true accounts of afterlife communication from people who have personally experienced contact with their deceased loved ones. These stories are both heartwarming and inspiring, and they provide

evidence that there is indeed an afterlife and that we can communicate with our loved ones who have passed on.

If you are interested in learning more about afterlife communication, then I highly recommend reading *Afterlife Communication: 16 Proven Methods, 85 True Accounts* by Jayne Wallace. This book is a comprehensive guide to the subject, and it provides practical advice on how to connect with your loved ones who have passed on. Wallace's insights and wisdom can help you to find peace and comfort in knowing that your loved ones are still with you, even though they are no longer physically present.
