Candle Magic

Candle magic is a form of magic that uses candles to represent different intentions and energies. By burning candles with specific colors, scents, and shapes, you can manifest your desires and create change in your life.

This book teaches you everything you need to know about candle magic, including the different types of candles, how to choose the right candles for your purposes, and how to perform candle spells.

Herbalism

Herbalism is the practice of using plants to heal the body and mind. Herbs have been used for centuries to treat a wide range of ailments, from minor cuts and bruises to serious illnesses.

This book teaches you about the different types of herbs, their medicinal properties, and how to use them safely and effectively.

Crystal Healing

Crystal healing is a form of alternative medicine that uses crystals to heal the body and mind. Crystals are believed to emit energy that can be used to promote healing and well-being.

This book teaches you about the different types of crystals, their healing properties, and how to use them for crystal healing.

Moon Magic

Moon magic is a form of magic that uses the energy of the moon to manifest your desires and create change in your life. The moon has a powerful influence on our emotions, thoughts, and behaviors, and by working with the moon's energy, you can harness its power to achieve your goals.

This book teaches you about the different phases of the moon, their magical associations, and how to perform moon rituals.
