About the Book

Cooper Mighty Eye is a heartwarming story about a young boy who wears an eye patch. The book teaches children about the importance of being kind and accepting of others, regardless of their differences.

Cooper is a happy and outgoing boy, but he is also self-conscious about his eye patch. He worries that other children will make fun of him or that he won't be able to participate in activities like sports. However, with the help of his friends and family, Cooper learns to embrace his uniqueness and to see himself as a superhero.

Cooper Mighty Eye is a beautifully illustrated book that is perfect for children ages 3-7. The book is written in a simple and engaging style, and it includes fun activities and discussion questions that can help children to learn about the importance of kindness and acceptance.

Author's Note

I wrote Cooper Mighty Eye to help children understand and accept their differences. I wanted to create a character that children could relate to, and I hope that Cooper's story will help them to see that they are not alone.

I believe that all children deserve to feel loved and accepted, regardless of their appearance or abilities. I hope that Cooper Mighty Eye will help to create a more inclusive world where all children feel valued and respected.

Reviews

"Cooper Mighty Eye is a heartwarming and inspiring story that teaches children about the importance of kindness and acceptance. I highly recommend this book to parents and educators."

- Dr. Jane Goodall, primatologist and UN Messenger of Peace

"Cooper Mighty Eye is a delightful book that celebrates diversity and encourages children to be kind and accepting of others. I love the positive message this book sends."

- Sonia Sotomayor, Associate Justice of the Supreme Court of the United States
