Founded in 1998 by Dr. William Rossi, Going Barefoot Running Experience has touched the lives of thousands of individuals, providing them with shoes, running gear, and the unwavering support they need to chase their dreams.

The Power of Running

Running has the power to transform lives. It promotes physical health, mental well-being, and a sense of accomplishment. For underprivileged

communities, running can provide a much-needed escape from adversity and open up new possibilities.

Going Barefoot Running Experience recognizes this power and uses it to empower individuals. They believe that everyone deserves the opportunity to experience the transformative benefits of running, regardless of their background or circumstances.

25 Years of Impact

Over the past 25 years, Going Barefoot Running Experience has made a significant impact on underprivileged communities. They have:

- Provided over 100,000 pairs of running shoes to individuals in need
- Donated running gear and financial support to countless community organizations
- Supported over 1,000 runners to participate in marathons and other events
- Established running clubs and programs in underprivileged neighborhoods
- Inspired countless individuals to pursue their dreams through running

Stories of Transformation

The stories of Going Barefoot Running Experience's impact are countless. Here are a few examples:

1. **Maria**, a single mother from a low-income neighborhood, joined Going Barefoot Running Experience's running club. With their support, she

trained for and completed her first marathon, transforming her physical and mental health.

2. **Jose**, a young man from an underprivileged background, was given a pair of running shoes by Going Barefoot Running Experience. These shoes sparked a passion for running that led him to pursue a scholarship at a prestigious university.
3. **The Running Club at the Boys & Girls Club:** Going Barefoot Running Experience partnered with the Boys & Girls Club to establish a running club for their members. The club provides a safe and supportive environment for kids to learn about running and develop healthy habits.

Giving Back, Going Forward

Going Barefoot Running Experience's commitment to giving back is unwavering. As they look towards the future, they plan to continue expanding their impact and empowering more underprivileged communities through the transformative power of running.

They encourage everyone to join their mission by:

- Donating running shoes and gear
- Providing financial support
- Volunteering their time
- Spreading the word about their organization

Going Barefoot Running Experience is a shining example of how the power of running can be used to make a positive impact on the world. Through

their unwavering commitment to giving back, they have empowered thousands of individuals and transformed countless lives.

As they celebrate 25 years of giving, let us all be inspired by their story and join the movement to empower underprivileged communities through the transformative power of running.

Together, we can make a difference.
