

# The Night Before the Dentist: A Calming Bedtime Story to Help Children Overcome Fear of the Dentist

The Night Before the Dentist is a charming and soothing bedtime story that helps children overcome their fear of the dentist. The story follows a young boy named Billy as he prepares for his first dental appointment. Billy is initially scared, but with the help of his parents and a friendly dentist, he learns that going to the dentist can be a fun and rewarding experience.

The Night Before the Dentist is a must-read for any child who is afraid of the dentist. The story's gentle and reassuring tone helps children to feel more comfortable about going to the dentist, and the positive message that the story conveys helps children to develop a more positive attitude towards dental care.

## What Parents are Saying About The Night Before the Dentist

"My son was so scared to go to the dentist, but after reading The Night Before the Dentist, he was much more relaxed and cooperative. The story

really helped him to understand what to expect and what to do to stay calm during his dental appointment."

"My daughter has always been afraid of the dentist, but she loves to read stories. I decided to try reading *The Night Before the Dentist* to her, and it worked like a charm! She was much more relaxed and cooperative at her next dental appointment."

"I'm a dentist, and I see firsthand how much *The Night Before the Dentist* can help children overcome their fear of the dentist. The story is so well-written and engaging, and it really helps children to understand what to expect and what to do to stay calm during their dental appointments."
