If you're a cat lover, you know that cats can be both hilarious and heartwarming. And if you have a cat who hates the vacuum cleaner, you know that it can be a source of both laughter and frustration.

In Vacuum Man Vs Cats: Mighty and Brennon, author Laura J. Burns tells the story of two cats who hate the vacuum cleaner with a passion. Mighty is a large, black cat who is afraid of everything, including the vacuum cleaner. Brennon is a small, white cat who is full of energy and loves to play. But when it comes to the vacuum cleaner, Brennon is just as terrified as Mighty.

The book follows Mighty and Brennon as they try to avoid the vacuum cleaner at all costs. They hide under beds, in closets, and even in the

refrigerator. But no matter where they hide, the vacuum cleaner always seems to find them.
